I am looking for opportunities to grow both professionally and personally. I want to work with a company that values collaboration, creativity, and innovation. A good work-life balance and a supportive work environment are also important to me. I am open to new challenges and eager to learn.

PROFESSIONAL EXPERIENCE

InternPe   Aug 2023 - Sep 2023
Web Developer Intern

Project 1 : Shoppingo is a stylish ecommerce web app crafted with HTML, CSS, and JavaScript. It features a responsive design for seamless browsing on any device. With its attractive UI, Shoppingo offers users an intuitive platform to explore and purchase products effortlessly.

Project 2 : Houset is a sleek and user-friendly web interface designed for house, room, or hotel searching. Built using HTML, CSS, and JavaScript, this wbsite offers a seamless experience for users looking for accommodation options. The UI design crafted using Figma. Graphics and photos were edited using Canva and Photoshop to enhance the visual appeal.

ByteBudz   May 2023 - June 2023
Graphic Design Intern

Roles & Responsibilities : As a Graphic Design Intern at ByteBudz, I supported the design team in creating visual assets for digital and print media. I assisted in developing social media graphics, website elements, and marketing materials. Throughout the internship, I gained hands-on experience with design tools and software while learning about industry best practices and workflows.
